**The PCCW is affiliated with the Stevens Point Deanery Council of Catholic Women,  
the Diocese of La Crosse Council of Catholic Women and the National Council of Catholic Women**  
**Under the leadership of the PCCW President are three Commissions to execute the work and programs of the Council**

**Spirituality:** The aim of the Spirituality Commission is to create a community that is educated and dynamic. Catholic women called to discipleship and holiness respond with personal witness and service to the Church and World. The Commission work reinforces faith and assists in meaningful ecumenical dialogue. It offers means to enhance public and private prayer, promotes sound, liturgical practice that is sensitive to the cultural diversity of the church, and provides resources for spiritual nourishment and development of the faith community.

**Service:** The Service Commission engages the members of PCCW to address the needs and concerns of the community. It is focused on action that affects the life, growth, productivity and well being of all people, especially women and children and the communities in which they live.

**Leadership:** The Leadership Commission provides organizational development, opportunities for leadership training, public relations resources, and publications to assure the successful organization and management of Council and its programs. It serves to strengthen the leadership team.
